Part I - Registrant Information

Full Name of Registrant BBM Holdings, Inc.

Former Name if Applicable _____

Address of Principal Executive Office (Street and Number)

Part II - Rules 12b-25(b) and (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K or Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

Part III - Narrative

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed period.

The Registrant's quarterly report on Form 10-Q could not be filed within the prescribed time period because of the Registrant's limited resources. The Registrant is a small company with limited resources available to dedicate to the preparation of this quarterly report on Form 10-Q, despite having engaged an outside consultant to assist the Registrant in the process. These developments put a tremendous strain on our scarce resources and diverted our attention towards assessing their implications in terms of both the reporting issues as well as the financial issues. In the 2nd quarter of 2009, the Registrant acquired assets to enter a new line of business, but our operations have not yet changed dramatically; accordingly, results of operations for the 2nd quarter of 2009 will continue the trend of losses for the 1st quarter of 2009.
