PART III - NARRATIVE

The Registrant's annual report on Form 10-KSB could not be filed within the
prescribed time period because of delays in obtaining transfer agent records due

to a change in ownership of the Registrants transfer agent, reduced staffing of the Registrant's small residual work force following the cessation of operations of the Registrant's wholly owned subsidiary and its operating entity, Broadband Maritime, Inc. in June 2007, and the complexity of accounting for the sale of the Registrant's intellectual property and technology relating to broadband services to ships, effective November 1, 2007. The Registrant is a small company with limited resources available to dedicate to the preparation of this quarterly report on Form 10-KSB, despite having engaged an outside consultant to assist the Registrant in the process.

PART IV - OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant acquired Broadband Maritime, Inc. in March 2007, and substantially all of the assets and liabilities Prime Resource, Inc., the predecessor to the Registrant, were sold as of April 30, 2007. On June 5, 2007, BBM Holdings announced that Broadband Maritime, Inc. had ceased operations and reduced employment to a small residual force. The Registrant sold its remaining business assets on October 29, 2007. As a consequence of these actions, the Company incurred substantial losses in the year ended September 30, 2007, as reported in the Registrant's Quarterly Report on Form 10-QSB for the quarter ended June 30, 2007. Since that date, other than selling its remaining business assets, as reported in the Registrant's Current Report on Form 8-K on October 17, 2007, the Registrant has not carried on significant business activities but continues to incur losses relating to professional services. Given our limited resources as referenced in Part III of this Notification of Late Filing on Form 12b-25, a reasonable estimate of the results cannot be made.
